CUSTOM MADE ABACA RUGS  
HAND WOVEN

Indigenous to the Philippines, the abaca plant is closely related to and resembles the banana plant. The structurally strong fibres are obtained from the layers of the overlapping leaf sheaths, which form the stalk of the abaca plant. The outer layers are coarse and the inner layers lighter, ranging from dark brown to white. There are seven shades of natural fibre and the other fibre can be dyed to produce any other colour. Abaca is the strongest and most durable of all plant fibres and is resistant to water.

**MARKETING YOUR HOME**

When it comes to selling your period home, we attract the right audience through our tailored marketing approach. Buyers will love that our wide range of classic properties are conveniently presented in one place from our dedicated website at [periodhomes.co.uk](http://periodhomes.co.uk), simply nothing but period homes!

And sellers can enjoy showcasing their home to the largest group of period home buyers in the county, all of whom seek the authenticity and lifestyle that you also value and appreciate. Did you know period properties can sell for 10-15% more than their modern equivalents?

Our period homes are also featured on the major property web portals, including Rightmove. We also embrace the benefits of social media advertising; our many followers can enjoy our videos featuring some of our finest homes, on Instagram and Facebook. Our bespoke marketing package can also include glossy magazine publications: Essex Life & Period Living.

At [periodhomes.co.uk](http://periodhomes.co.uk) there is a property for all budgets, including:

- Charming Terrace Cottages - both town and country
- Elegant Townhouses
- Country Homes - with and without land
- Luxury Converted Apartments
- Hall Houses and Barn Conversions
- Restoration projects of all sizes
- Think red bricks, yellow stocks, slate and thatched roofs, sash windows, high ceilings (and low ceilings), timber beams and so on... You'll find all these remarkable features at Period Homes.

We just love all things old! But we also embrace the new, to enhance the presentation and marketing reach for our clients.

From professional eye-catching photography and floor plans, to wonderful aerial drone imagery and videos, to highlight the setting and surrounding landscape of certain properties; we create a bespoke marketing package that suits your needs.

If you would like to buy a period home but you have a modern home to sell first, we can assist via our sister company, Walkers, who just so happens to have been voted Britain's Best Estate Agency in the Irish Property Awards. That way, both elements of your move are in the very best of hands.
